Free Video Clips of Andre In Action: free video clips of me in action

How many times have you stuck a porno tape in your VCR and wished that you were right there in the scene with all those hot studs? How many times have you watched a video and wanted to be in the place of the man who is deep throating that big 10 inch dick? How many times have you watched a tape and said to yourself that your ass was better than the one getting pumped? Now you've got the chance to get with one of those guys on the other side of the screen. I'm Andre Bolla, a Big Time Black Porno Star with over 80 videos to my credit. And I'm available for private modeling sessions and for nude massage. I'm also available as a personal trainer, and I would like to work with other Ebony models in front of and behind the camera. I'm masculine, hung huge with a long fat dick, a true 9 x 6, and have a hot ass. I'm good looking, hairy, and have a muscular body. I'm all man and ready for you anytime 24/7. Yet, I accept cash. I'm in Los Angeles, but I'm ready to travel anytime, anywhere.

----- STILL PICTURES

combination of 24 black-and-white and color photos of me in the nude and semi-nude for \$48. Or I can give you the photos in one of two hi-tech ways. I can put the 24 still shots on videotape for \$75 or I can scan the shots onto Photo CD also for \$75. Show your friends the big picture! ----- DIRTY CLOTHES ----- Want smelly, sweaty or cum drenched stuff with rocks from my hot cock? T-shirts, briefs, rubbers, jox, sox, G-strings or combinations are all available. All sealed for freshness. You can have them for only \$25 per item, including a photo.

----- PERSONAL CONTACT ----- If videos or jock straps don't quite do it, maybe what you need is a private modeling session. And if that still leaves you with tension, maybe what you need is a massage. I'm good at relieving stress. I have magic fingers that massage you in all the right places and melt the tension away. Can't you imagine having a 5"8" hairy stud rub you the right way? I'm available for private, personal training, video productions, modeling or message sessions in Los Angeles or across the country. In fact, if you need me anywhere in the world, I'm only a plane ride away.

Andre Bolla, a handsome 50-plus guy, made some personal appearances and signed autographs at Circus of Books recently and is looking for a comeback. Right now, he's in the construction business, working up a sweat and getting recognized every once in a while. Bolla did hetero titles like Beverly Hills Cops and Marilyn Chambers' Private Fantasies 6 before landing in Wet Daddies for Catalina, Pinball Wiz for HIS and dozens of titles for Black Forest and Nubian Videos. Arguably one of the first well-known black stars in the business to make it big in gay and straight porn, he estimates his title count in the hundreds. After taking a few years off, he said he is looking to build his andrebolla.com website and says, "It is under

construction and I'm looking for donations. I'm looking for photographers and help in getting it going. I'm looking for sponsors and investment bankers and makeover people.
