Summertime is hot ... and so is Christian!

My name is Christian or Chris for short. I'm best known for being a laid back guy with no hang ups -- not afraid to have fun. Candlelight, some wine, and an exxxcellent massage and ... ?

Guaranteed fun and very chill atmosphere, massages etc give/receive, optimistic and sexy personality on a twink body. I am unusually mature for my age.

I'm very discreet and accommodating. Masculine appearance/mannerisms and mature attitude go a long way to show that. I prefer quality, discriminating gentlemen. Over 35 not a requirement but preferred. Bisexual. Right now, I'm in college studying computer science, but I have an interest in music, history, arts, etc. I love older men (35 and up). Bottoming and topping are both lovely for me. Oral and kissing gets me hott ... the more sensuous the better. My nipples are also super sensitive, so I like a man who will pay them attention.

Calls after 11PM CST are not good etiquette unless arranged prior, most likely will not be answered. Profile guaranteed accurate.
