Davis Description:

Whether you are Gay, Bi or simply exploring your sexuality, if you are looking for more than a massage I also offer

Escort/Companionship Sessions. I am a very passionate and romantic bottom with a bit of a wild-side!

In addition to being well educated and a great conversationalist, I enjoy providing oral, I love to be rimmed and fingered as a prelude to the "main event" or as the main focus of our activities for our time together.

Just need to kick back and get some stress relief? I offer oral service to completion, often available on short notice.

Looking for a more romantic, longer session? Book a 2 hour session, bring a bottle of wine, and we can relax and get to

know each other a bit
better!
