Jesse Dane Description:

Hey guys! I'm a one of a kind experience!  
I'm into most any scene. Can range from  
being extremely dominant to being quite  
passive and enjoy it all equally.

I'm about 90% top, but will bottom on  
occasion. But make sure to ask about that  
in advance, because I'm not promising  
anything right now. ;-)

Also, I just finished shooting my first  
porn video. So be on the lookout for the  
release of Thunderbobby 2!
