Rick Description:

Hello! I'm Rick in San Francisco and I'm usually described as sexy without attitude. Connecting with people is often comprised not only of mutual interests, skills and emotions, but of sexuality too. Whether expressed by a hug, attentive eye contact, spending time, or a nurturing massage—these are ways I give in the exchange of connecting with others. When mutual respect is present, the benefits often multiply into unforeseen rewards. I prefer you call me since I don't respond to email daily. So check out my website and let's get together.
